## EDUCATION

**Shri Shankaracharya Professional University**  
*Bachelor of Computer Applications (BCA)*

Bhilai, Chhattisgarh  
2022 – 2025

## PROFESSIONAL SUMMARY

Highly motivated and detail-oriented full-stack web developer with 2+ years of experience designing and developing scalable web applications. Proficient in modern frameworks like ReactJS, Node.js, and Framer Motion. Skilled in cloud technologies, advanced animations, and collaborating with cross-functional teams to deliver client-focused solutions. Experienced in Agile methodologies with a proven track record of driving digital transformation initiatives.

## EXPERIENCE

### Codeplayer

2024 – 2025

Frontend Web Developer

*Codeplayers.in*

- Developed the official website using **ReactJS**, **Bootstrap**, and **Framer Motion**, focusing on performance and interactivity.
- Implemented animations and transitions to enhance user engagement.
- Optimized the site for cross-platform compatibility and fast load times.

### Freelance Project

2025

Web Developer

*Festiva Portfolio Website*

- Designed and developed a portfolio website for **Festiva** using **Vite**, **ReactJS**, and **Framer Motion**.
- Addressed challenges in implementing advanced animations and ensured seamless user interactions.
- Delivered a high-performing, visually appealing website showcasing Festiva's portfolio.

### Mentorsity

April 2023 – June 2023

Catalog Management Intern

*Ghaziabad, India*

- Managed and maintained digital catalogs for clients, ensuring high data accuracy.
- Collaborated with teams to streamline catalog processes, boosting operational efficiency.

### Bharat Intern

June 2022 – October 2022

Web Developer Intern

*India*

- Developed responsive features using **ReactJS**, enhancing user interface design.
- Implemented client-requested functionalities and optimized performance.

## PROJECTS

### Pac-Man Game | *React, Tailwind CSS*

2024

- Built a modernized Pac-Man game with interactive controls and responsive design.
- Utilized dynamic game logic and animations for an engaging experience.
- Styled the game with **Tailwind CSS** for consistency and fast development.

### Codeplayers Website | *ReactJS, Bootstrap, Framer Motion*

2024

- Developed an engaging website with smooth animations and dynamic content.
- Optimized the site for SEO and faster load times across all devices.

### Festiva Website | *Vite, ReactJS, Framer Motion*

2024

- Created a responsive event management platform with modern design.
- Integrated **Framer Motion** for advanced animations and visual appeal.
- Overcame challenges in implementing real-time updates and dynamic components.
